REPUBLICAN MEETING.—One of the most orderly republican meetings ever held in this city was that at Schuler's hall last night of the Lamb wing of the republican party. There were about 100 present, the white and colored men being about equally divided.

The meeting was called to order by Mr. Joseph P. Lash, who said he did so as chairman of the city committee and as chairman of the city committee and as chairman of the city committee.

Mr. Lash moved that a committee of five be appointed on permanent or temporary delegates to the State convention to be held in Lynchburg on October 5th. He then named Mr. Chas. W. Dearborn, temporary chairman and W. N. Jackson, secretary.

Mr. Dearborn took the chair and said that the meeting was ready for business.

PERSONAL.—Mr. Charles F. DeMoll, formerly of this city, but now of Washington, and Miss Annie L. Lawler, daughter of Mr. John Lawler, of this city, were married at St. Paul's Lutheran Church in Washington by Rev. Samuel Dorer last night.

Mrs. Adamson, matron of the Alexandria Infirmary, left yesterday for Scotland where she will spend a month or six weeks. Mrs. Adamson's many friends wish her a bracing sea voyage with a speedy return.

Mr. Lloyd Uhler has returned to Blacksburg College to renew his studies.

Mr. R. A. Sinclair has returned after a protracted absence from the city.

Mr. F. E. Anderson has gone to Richmond on legal business.

Mr. E. Goldsmith, who has been quite sick for the past few days, is able to be out again.

Commonwealth's Attorney J. B. McCabe, of Loudoun, returned Saturday last from this trip to the West.

Mrs. Grace Cogan Shultz is seriously ill at her home on north Alfred street.

SUDDEN DEATH.—Mr. James P. Coleman died suddenly of apoplexy at his home, corner of Fairfax and Cameron streets, shortly before 10 o'clock last night. About 7 o'clock in the evening Mr. Coleman, in apparently good health, was seated on the steps of the City Hotel, corner of Cameron and Royal streets, when he fell forward unconscious. A message was sent to police headquarters and Policeman Atkinson, assisted by several friends of the unfortunate man, conveyed him to his home. Dr. Purvis was summoned, but he grew rapidly worse and in spite of medical aid he died in a few hours. Mr. Coleman was a son of the late Jas. P. Coleman and was sixty-five years old. Up to the breaking out of the war he was proprietor of a restaurant in this city and was widely known. At the close of the war he materially assisted many returning Confederates who have ever since remembered his kindness to them. He was at one time a member of the Alexandria police force, but resigned from the position and afterward became superintendent of police, which position he held for several years. Previously he had been a member of the old Sun fire company and had served as a fire warden. His funeral will take place Sunday.

CHICHESTER ACQUITTED.—As anticipated, George Chichester, of this city, was, at Fairfax yesterday, acquitted of the charge of burning the barn of Mr. Constant Ponnet, in West End, some months since. Richard Burnett was acquitted of a similar charge the evening before. When the case against Chichester came up Mr. Ponnet stated that he did not care to prosecute him. The fact of the burning and the value of the barn was admitted by Chichester's counsel, Mr. R. E. Thornton, thus saving considerable time. The trial occupied only about two hours and the jury was only a short time agreeing upon their verdict. Chichester and Burnett returned to their homes in this city.

Edward Jamieson, colored, at the last term of the court confessed to having applied the match, but claimed that he did so at the point of a pistol in the hands of George Chichester. Jamieson was then convicted of the crime and was sentenced to seven years in the penitentiary. There is some talk of asking the Governor to pardon him.

Mr. Superintendent of County Schools, Mr. James E. Clements, has written a communication to the trustees of each district in the county to have the buildings and grounds put in the best sanitary condition prior to the day of opening.

OPERA HOUSE.—"Side Tracked" was presented at the Opera House last night before a large audience, the sale of tickets for the gallery being stopped some time before the performance began and nearly every seat in the dress circle and orchestra being occupied. The performance throughout was well presented and the specialties were very fine and were heartily enjoyed by the large audience present. Mr. Edward H. O'Connor, who was a student at St. John's Academy, is the star of the performance, and elicited much applause. The scenery was among the best ever seen in this city.

DR. BROWN'S WILL.—In the Corporation Court to-day the will of the late Dr. Bedford Brown was admitted to probate, qualified as administratrix. The probate took place at his residence on Washington street and all his personal estate to his widow, Mrs. Mary E. Brown, and his medical library and surgical instruments to his son, Dr. W. B. Brown, of New York, and divided the remainder of his real estate in this city and Washington among his three children.

THEOLOGICAL SEMINARY.—The session of this institution for 1897-'98 opened on Wednesday, the 22d, when entrance examinations were held for such students as do not hold a college degree. The examinations continued through to-day. Twelve new students have already applied for entrance. Of these eight have arrived and the others are expected in a day or two. The old students are rather late in arriving. It is expected that there will be thirty-five students in all this session. Among the new students are three who have taken the degree of M. A. at the University of Virginia, one of these being Mr. St. George Tucker, son of the Rev. Beverly D. Tucker, D. D., of Norfolk, and a nephew of Mr. Lawrence Washington, of this city. The increase in college graduates at the seminary is gratifying. The regular work of the session will commence on Monday next. The Rev. Professor Crawford arrived after a pleasant trip to Canada yesterday evening.
